

On My Knees by C. Michael Perry

© 2002 by C. Michael Perry

I'm all alone with troubled soul!
A whispered word invites me to my knees.
So, I kneel in pain – I'm half not whole!
I feel His touch and I see what He sees!
When I talk to Him in faith, He talks to me with love.
He answers ev'ry prayer.

I'm on my knees with open heart.
My spirit soars and feels a swell of love.
And without a word, without a sound
I feel the greatest gift from God above!
If I talk to Him in faith – He talks to me with love.
He answers ev'ry prayer.
He will answer ev'ry prayer!
