From the mouths of Pro-phets comes the key to what's a-head! But,  
All the ho-ly Pro-phets spoke. Their words still live to-day.

From the mouths of Pro-phets comes the key to what's a-head! But,  
All the ho-ly Pro-phets spoke. Their words still live to-day.

From the mouths of Pro-phets comes the key to what's a-head! But,  
All the ho-ly Pro-phets spoke. Their words still live to-day.

From the mouths of Pro-phets comes the key to what's a-head! But,  
All the ho-ly Pro-phets spoke. Their words still live to-day.

From the mouths of Pro-phets comes the key to what's a-head! But,  
All the ho-ly Pro-phets spoke. Their words still live to-day.
