Ev'ry year it gets more impossible to find you something for Christmas:
Shopping ev'ry day and night,
never knowing what's just right for you.
But when I stop and think about what to put under the tree,
I realize that all you want is "ME!"

I'm your Christmas Present for ev'ry single day of the year.
It doesn't cost a single cent to say what you want to hear.
I feel just like Santa Claus, bringing lots of love and cheer.
I'm your Christmas Present. Remember that I love you when I say,
"Good morning, dear.
Have a Happy New Year in each and ev'ry way
When you see me underneath the Christmas tree on Christmas Day!"

I'm your Christmas Present. It's hard to think of what to get for you.
You've ev'rything a guy could want, so what's a guy to do.
From Tiffany's to Bloomingdales to "something old" and "something blue."
I'm your Christmas Present. I love to see your smile when I say,
"Good morning, dear.
Have a Happy New Year in each and ev'ry way
When you see me underneath the Christmas tree on Christmas Day!"
