

One God, One Gift:
Follow His ways.
Love God, His Gift
Strengthens our days.
Father, Mother, and blessed Son
Teach us of the Spirit
to help us be one.

If only we remember,
If only we are kind,
We'll have his spirit with us
In both our heart and mind.
Then we'll walk steadfast in His way;
Forever we'll live through His gift,
Forever to say:
One God. One Gift. One day.
